FRÖVI

Affordable innovation in breakout furniture.

Reach

Boasting cool style and impressive practicality, Reach is a chair for high-functioning breakout zones and associated areas.

Stacking up to 40-high, and with its own trolley for easy transport, Reach makes seating for every event simple and effective. Alongside all this practicality, Reach injects design flair and comes in 6 vibrant colours. And of course, once again, Frövi brings all this within an affordable budget.

- **High volume stacking chair – up to 40 high**
- **Complementary trolley enables easy transport**
- **Strength tested to BS EN 15373 for commercial use**
- **Integrated linking device available for effective rows of chairs**
- **Stocked in 6 vibrant colours**
- **White feet to reduce floor marks**
